✓ From our Captain

" Well, my position as Captain has proven to be a steep learning curve that has tested my abilities to balance family and the golf club. For those members who do not know my background, in short, I moved to Kilcoy with my wife Linda four years ago after completing 40 years in the Army. I am still adjusting to "retirement" and Linda is still employed with the Australian Defence Force at Enoggera Barracks in Brisbane Monday to Friday.

I would like to thank those club members who have provided me with their assistance and advice whilst I get my head around my new position."

Regards, Blue Reidy

" Golf is deceptively simple and endlessly complicated; it satisfies the soul and frustrates the intellect. It is at the same time rewarding and maddening - and it is without a doubt the greatest game mankind has ever invented."

Arnold Palmer

Wishing you all a happy 2023. May you be on par to have a great year, with more laughter, and fewer golf shots!
