KILCOY GOLF CLUB

CONDITIONS OF PLAY

1. The Committee reserves the right to alter, postpone or cancel any event listed in this fixture book.
2. Players are required to return all competition cards for handicapping purposes.
3. When 8 Men or 4 Ladies play in a competition, the prescribed trophy must be played for.
4. The Match Committee reserves the right to alter handicap limits for any event.
5. In Championship events, where possible, a draw for playing partners will be made.
6. All tied Gross Championship Events (Men, Ladies & Juniors) will be decided by a 3-hole aggregate playoff (Holes 1, 8 & 9) on the day of the competition. If still tied, a sudden death playoff shall be conducted on the 9th Hole until a result is achieved. (If time & conditions do not permit, a decision will be made by the Match Committee).
7. All tied Net Honour Board events (Mens, Ladies & Juniors) will be decided by an 18 Hole playoff. On the allotted day of the playoff, all involved players are to play in the same group and are to use their current AGU handicaps.
8. Club Championships (Mens, Ladies & Juniors)
 - 1st two weekend's groups will be decided by a draw for partners within their Grade/Division.
 - 2nd two weekend's playing groups will be seeded on rank in each Grade/Division.
9. To be eligible for Club Championships, members must have competed in 5 Club events during the previous 12 month period.
- 10. Combining Stroke & Match play:**

Matchplay events are permitted to be played in conjunction with stroke or stableford events provided complete scores are recorded. The exception to this is during honour board events. Time cut offs for completion of match play games will be strictly adhered to.

MIGHTY HELPFULTM

COMPETITIONS

Different competitions that may be played:

Single Stroke: Requires all strokes to be counted, & players are unable to pick up the ball without penalty. The score for the 18 Holes is tallied and the handicap deducted from that total. The lowest score wins, for both gross & net.

Single Stableford: Each player scores stableford points on a hole based on their handicap & the stroke index for the hole. During the round, each player and marker has to calculate the points allocated to each score on a hole, based on the stroke index. Eg a player on a handicap of 12 receives a shot on the 12 hardest holes (stroke index 1-12). Both the stroke score & stableford points are marked on the card & the highest stableford points score wins.

Chapman Foursomes: 3/8 combined handicap. Each player plays from the tee and plays the next shot with their own ball. The players then decide the ball to be played, and this ball is played alternately for the remainder of the hole.

American Foursomes: 3/8 combined handicap. Each player hits from the tee, & then plays 1 shot with their partner's ball. The players then decide which ball is to be played, & this ball is played alternately for the remainder of the hole.

Tiger Stableford 4BBB: Played as a normal stableford event, except at the end of each hole, both partners multiply their stableford score together & record this total score for each hole on the card. At the end of the game, the scores for each hole are totaled. This format can also be applied to stroke events.

Flag Competition: This is a normal stroke event, however, after completing the 18 holes, the player's handicap is deducted from the gross score. The Number of shots under par of the course on the player's net score is the number of shots that player has remaining. The player then continues down the 19th hole and keeps playing until the number of shots remaining is exhausted. The flag is then placed in the ground at this spot. The player who continues to play the course the furthest is the winner.

Single Versus Par Competition: is played as a Stableford competition, however, instead of recording the number of stableford points, the player records their stroke score, as well as a (+) for bettering their par for the hole, a (0) for attaining Par, or a (-) if Par is not achieved. It is customary for a player to 'pick up' once Par has not been achieved. The final score is calculated by adding the pluses & minuses. Eg if a player has 6 pluses & 3 minuses, their final score is 3 for the round. The highest score wins.

Bisque Bogey: The competitor is allowed to choose whether or not they will allocate any handicap shots to the hole. Time to choose is only between leaving the green & teeing off on the next tee. The competitor must mark on the card how many handicap shots are to be used before starting the hole. The competitor may use as many or as few handicap shots as he/she wishes as long as he/she does not complete the 18th with handicap shots remaining. Once the handicap is used up, no more handicap shots can be allocated. Scoring is based on VS Par where a (+) is allocated a net score that is better than Par, a (0) is allocated to a net score that equals par & a (-) is allocated to a net score that is worse than par for each hole.

COMPETITIONS

All men's, ladies & mixed competitions are to be played off the daily handicap as calculated by the slope rating.

All events are open to both men and women except Honour Board Events.

Veterans Days – refer to Veteran's Schedule.

Saturday Competitions – tee off time will be advised.

Sunday Competitions will have a mid-day hit off unless otherwise stated by the Match Committee.

COMPETITIONS PLAYED THROUGHOUT THE YEAR

FRED GREENSILL MEMORIAL SHIELD

A men's 18 Hole Stroke will be run from November (previous year) until September. The 11 monthly winners and the previous year's winner will then play a final on the Captain's Trophy Day in October. The winner of the final will be presented with a Perpetual Trophy at the Presentation Dinner.

MONTHLY MEDAL

A ladies' 18 Hole Stroke/Stableford (monthly medal) will be run each month from November (previous year) until September. The 11 monthly winners and previous year's winner will then play a final on the Captain's Trophy Day. The winner of the final will be presented with a Perpetual Trophy at the Presentation Dinner.

BLACK MARKER EVENTS

Two nominated Black Marker events will be played every month, one on a Wednesday and one on a weekend. Every participating player who beats their handicap will go in the draw for a prize which will be drawn on Presentation Night.

NORM TONES MEMORIAL SHIELD

18 Hole Stableford competition will be run from November (previous year) until September. The 11 monthly winners and previous year's winner will play a final on the Norm Tones Trophy Day in October. The winner of the final will be presented with the Perpetual Trophy at the Presentation Dinner
