

# KILCOY GOLF CLUB

## FEBRUARY / MARCH 2024 NEWSLETTER

*Welcome to 2024, and a new year of golf!*

**2024**

✓ **The Course** - The recent weather has given our dams some much-needed water, and they are now at capacity. Our irrigation programme has contributed to the course being in excellent condition. The work carried out on our greens has them in great condition. Thanks to our father and son team, Arthur and Shaun for their excellent work, and our team of volunteers who assist in the course management. Well done everyone!

✓ **Many Thanks** - A special thanks goes to Kilcoy Backyard Bling, and to Connor Jackson of Jackson Electrical, for their donations, which enabled our volunteers to upgrade the 16th tee box.

✓ A big thank you to Bill Hill, of Bill's Tyre Centre, for his donation which made it possible for us to replace the pin flags on our greens.

✓ A heartfelt thank you to all our trophy donors, for their support of our Wednesday, Saturday and Sunday competitions. There are still some competition days without trophy donors. If there are any businesses, organisations or community members who would like to sponsor an event, please contact the club on 54055075. The Wednesday competition commences at 8am, Saturday's normally begin at 2pm, and Sunday's at 12. We welcome all to come and join us!

✓ Thanks to Jenny Bechly for supplying the bushes and shrubs for the 8<sup>th</sup> Tee Box. She and her team of volunteers worked through the recent heat wave, so that the project could be completed prior to the Brisbane Valley Championships.

✓ **The Brisbane Valley Championships** - These are played between Kilcoy, Esk and Toogoolawah Golf Clubs, and commence at Kilcoy on Saturday 10th February. There will be some excellent golf played between the three clubs, so come along to view the action, and enjoy our recent renovations and upgrades.

✓ **Quotations** - We have received quotations for the following tasks:-

1. To replace the glass doors to our fridges, and to bring the cool room up to required electrical specifications.
2. To install a second TV, and to install the necessary reception equipment.

*"Golf is the only game in the world in which a precise knowledge of the rules can earn one a reputation for bad sportsmanship." Patrick Campbell, 'How to Become a Scratch Golfer'*
